POLICY OF SPONSORSHIP – PROVINCIAL/NATIONAL REPRESENTATIVES

As a school we strive to support our learners in all ways possible. All sponsorships are at the discretion of the School Governing Body and dependant on the budget allocation. Each case will be evaluated on its own merit.

Selection and participation has to be confirmed by the relevant sporting/cultural club or society/federation.

Criteria that will be considered:

1. League type: participation must be in a competitive league, recognised by the school, and not an adult league.
2. Size of the league (number of schools, teams etc.): this needs to be considered, to ensure that the player has reached a suitably competitive level.
3. DGHS Code of Conduct: the learner must be in good standing and show support of the Code of Conduct of the school.
4. The code must be one recognised under the DGHS Awards Policy.
5. Should the code not be offered at DGHS, participation in another DGHS activity is necessary. This could be excused under exceptional circumstances.
6. A school fee clearance must be applied for, and will be taken into consideration, when sponsorship is requested.
7. The school will respond to the parent.
8. The learner must participate in the activity under the name of DGHS.
9. Should the participation of the learner in the said activity be sponsored by a person/association or funder, then the funding from the school will fall away.

This Policy of Sponsorship must be accessible and in line with the Awards Policy.
